Re: Retransmission Consent Elections for January 1, 2012-December 31, 2014  
NBC Owned Television Stations

Dear Mr. Kent:

Pursuant to the Cable Television Consumer Protection and Competition Act of 1992 and Sections 76.64(f) and (h) of the Rules of the Federal Communications Commission ("FCC"), the NBC Owned Television Stations identified on the attached list ("NBC Stations") recently sent retransmission consent election letters for the period January 1, 2012, through December 31, 2014, to the cable systems/headends in each Designated Market Areas ("DMAs") to which an NBC Station is assigned, based on information contained in the FCC's Community Unit Registration Database and other sources. As stated in these letters, and for the avoidance of doubt, the NBC Stations have elected retransmission consent in all of your company's systems/headends serving communities located in the DMAs in which the NBC Stations operate. Please communicate with me directly if you have any questions or wish to discuss the election letters.

Sincerely,

Valari Staab
